

2005 Team Apache 30K Time Trial

Saturday, June 25, 2005

Final Results

(Paw Paw, IL) Saturday's inaugural Team Apache Time Trial was run on a modified course due to recent re-paving of a section of the course. However, the challenge of over 250' of elevation change remained! Congratulation to all the riders and thanks to all those who assisted in making this event a success. Race conditions: Temperature – 85F, Winds – WSW at 10mph, Humidity 62% under Clear skies.
