WEST LAKE
VILLAGE,
ILLINOIS

Masters Men & Women

Age Categories 30+ 40+ 50+ 60+ 65+ 70+

COURSE: West Lake Village, Illinois.
Length was 8.1 miles around West Lake Village, Private Farms and Horse Ranches.

Starting from the Pleasant Spring Fed River Valley at Smith Rd and Berglund Rd. you climb to overlook the downhill right turn #1. After rounding turn #1 you ride up a gradual climb, or two, to turn #2. After the flat plateau the road drops off into a screaming straight downhill run into the pleasant spring fed river valley. A short tour of the flat valley roads, past the Arabian Horses, a series of ascending steps begins the climb up out of that pleasant spring fed river and lake valley to the wide open flats before turn #3. This off camber turn 3# converts to an ascent, recent road repairs flattened the steep bump, to the heights of turn #4. The actual high point is after turn #4 and what appears to be a flat road is actually an ascending road to an overlook of the finish. Half way down the descent changes to a small climb and then begins the long gradual descent into the pleasant spring fed river lake valley. Past the Gazebo, registration, beach, parking, up at the top of the small rise near a beautiful Farm is where the finish line appears after completing the race distance of hundreds if not a thousand of uphill miles.
