

Mighty Mississinewa Reservoir Road Race

Saturday, September 9, 2006

Experience bike racing at its best at Mississinewa Reservoir. A challenging loop around the reservoir and great staff support will make this a true fall classic. Keep those cleats on a bit longer (daylight savings time) and stretch those legs before you descend to the Fall Finale the following day in Mooresville. A weekend you won't soon forget.

Located near Peru, IN, Miami Recreation Area, 9 miles east of US 31 on Miami Co Road 500 S. Look for signs. *Mississinewa Reservoir is located in north central Indiana, 65 miles north of Indianapolis, 65 miles northwest of Muncie, 65 miles east of Lafayette, and 65 miles southwest of Fort Wayne.*

Course: 16.3 miles around the Reservoir. Finish is about 4 miles away from the Start line. Great sprint area across the dam. Spectator parking is available. A very nice shelter will host the awards ceremony. Flat to rolling course.

The Schedule.....

CAT A Race 10:00 a.m.	CAT B Race 10:15 a.m.	CAT C Race 10:30 a.m.	CAT D Race 10:35 a.m.
100 KM or 4 laps	78 KM or 3 laps	53 KM or 2 laps	26 KM or 1 lap
\$500/10* *must have at least 25 riders for full payout	50/50 payout	50/50 payout MAS 60+, 65+, 70+, 75+,80+ / Top 5	Top 3 Awards
\$30.00	\$27.00	\$25.00	Free

You pick the category you want to race in - you know your goals and fitness level. As the season is fast coming to a close for the road scene, here is your chance to mix it up with other categories and ages. I think this will make for some exciting racing action.

Registration starts at 8:00 a.m. at the Beach Area (the same place where the triathlon registration will be). The triathlon starts at 8:30 a.m., so come and check that out before your race begins. Not a closed course. Corner marshals and police cars as lead vehicles. Be sure to stay afterwards and have some free drinks and snacks at the shelter overlooking the lake. A great place to soak in the view. [Questions..abrdaly@aol.com](mailto:Questions.abrdaly@aol.com) or 317 502--8851
