100% Brumotti to Hit Las Vegas

Not to be missed: a stupendous show at Interbike, as Gravity Team member, Vittorio Brumotti performs twice at the Criterium Nationals at Mandalay Bay, Thursday evening September 25 (at 7:40 and 9:30PM). Europe's legendary trials stuntmeister will be making his Interbike debut.

Last November, at the Milan Show, Brumotti set a Guinness World Record by jumping between 20 rails set 1.5m apart and 2.94m off the ground (<http://www.pinkbike.com/photo/1599531/>). What mind boggling feat could he have in store for Las Vegas? This 2006 World Trials Champion (BIU) is known for his amazing skills, death defying jumps, and wild personal style.
