6th Annual Cordova 40K TT Results
QCBC Club Championship
MATTS and ROTY points event

We had a beautiful day for the 6th Annual DICE 40K TT Championships, in Cordova, IL. The temps ranged from a perfect 69 to 76 degrees and the wind started off at 11mph from the WNW (head/cross on the return trip) to gust over 21mph. The later it got the more the wind picked up. I would like to thank my volunteers Lisa Wessling and Jennifer Ainsworth for registration, Mike Desch as my starter, Bill Wiebel as my wrangler, Chief Rich Whalen as my left turn corner marshal, the Cordova Township Civic Center for the facilities, and Bob Lundberg for timing the event. I would also like to thank MATTS for the medals and T-shirts for raffle, Profile for the TT bars for raffle, Sigma for the bike computer for raffle, and Park Tools for the toolbox at the races.

We had 72 people doing 76 rides. We had 5 Juniors doing 20K and the Male Junior Winner was 16yr old Steve Miwa with a time of 35.31.36 and the Female Junior Winner was 17yr old Elizabeth Miwa with a time of 46.55.80. The Female Overall Winner goes to Debbie Dust, Chicago, IL, and MetLife/Pony Shop with a time of 60:56.22 and a speed of 24.47mph. The Men's Overall Winner went to Christopher Mosora, Downers Grove, IL, and Lucas Oil with a time of 54:36.82 and a speed of 27.31mph. The Quad Cities Bicycle Club Champions were Margaret Millar with a 77:19.68 and John Grice with a 57:18.45.

This "L" shaped super clean, smooth, very flat course continues to give riders the opportunity to ride a personal best and set records. Indoor registration and restrooms, shaded Park, quiet country roads, cheap gas and a country store just outside of the Park make this one of Premiere MATTS locations. Big thanks to Donnie Miller and Team DICE for another great event.
