Course: A 1.4 mile loop that rides like a road/circuit race. The course's direction will run clockwise with the finish line up the long gradual climb at the top. One of the better bike race courses in the Midwest, in my opinion. Has it all!

Location: Just south of Columbus, IN. For complete directions go to: www.indianraceseries.com

Other: Bring your family out to enjoy a fun filled day at southern Indiana's most spectacular family recreation park. Open to race participants and families. For a small fee, the 18-hole miniature golf course, paddle boats, fishing, driving range, and camping will be available. There is a shower facility—bring your own towel. Gate fee of \$5.00 will be charged per vehicle (car pool). No warming up on the course. GP will be at the helm calling the action like nobody else can! Race distances have increased in most cases. You work hard and the race distance should commensurate with your training regimen. Free drinks and snacks. Please respect the park and conduct yourself in such a manner that we can come back and use this great facility i.e. Language during the race, etc. **RAIN DATE—None. If the weather is too cold and wet, we will cancel the race. Call if in doubt.**

Register: Registration starts at 7:45 a.m. No late fee. (317) 502--8851.

Last note: We reserve the right to decrease the prize list if insufficient entries occur. Second race will only cost \$10.00. I will pay the \$2.00 per rider facility fee and \$100 dollar conference use fee that will be charged in '09.
