When road race courses are lost it is almost always because someone did something stupid. Please don't do anything stupid.

Directions: The course is located northeast of Durand between Durand and Rock Falls. Please park along Weisinger Rd. **Please do not park along County Highway T.** Registration will be near the intersection of Weisinger and T. There will be toilet facilities but **no running water near registration.**

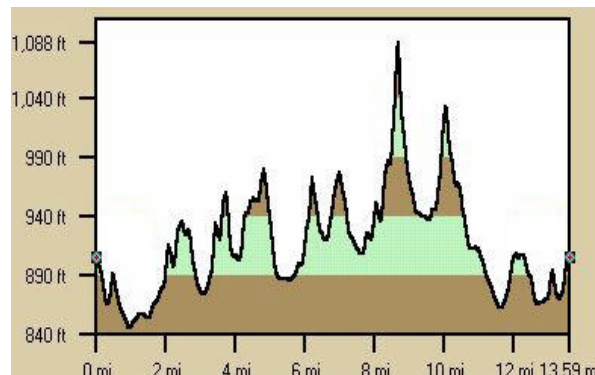

Course: The race will take place on a 13.5 mile loop. There are lots of rollers, a couple of leg stretchers, no killers. Each band in the picture is 50ft.

Please respect the yellow line. We have DQ'd riders for this.

We are guests here.

This is Amish country and that means slow moving vehicles. The organizers will work to ensure there is no conflict but please be respectful of the locals
