3/28 Tour of Malabar Farm

Lucas, Ohio

This is one of our old favorites, and in 2009 it will be our 16<sup>th</sup> year in the hilly Richland County.

This is a very tough ten mile loop with one long climb of about a mile at anywhere from 6% to 14% at the top. Then the fun begins with five miles of Rollers and Grinders. The last four miles are flat back to the finish area.

Directions- from I-71 exit at SR13 and turn left if you are coming from the North and left if you are coming from the South. Then turn East on Hanley Rd. Turn right on CR301 in Little Washington and then East CR303 to Malabar Farm. Park in the lower parking lot.

Course Description- This is a 10 mile loop with one long climb and plenty of Grinders.

Here's the scoop- The prize money for our Spring Classic events is guaranteed in each category. Registration begins at 90 minutes before the first race and closes 15 minutes before each race. There is no late fees, but there is a discount if you pre-reg. at [www.truesport.com](http://www.truesport.com).

We reserve the right to change a lot of things, including lengthen, shorten, modify, cancel, or combine races and /or prize list if insufficient entries or bad weather. If less than 5 in a category, races will be combined, less than ten riders in a category pays one place only. Full payment of M 1-3, and M3-4 requires 10 entries.
