4/11 Tour of Sugar Grove

Sugar Grove, Ohio

This is another one of our old favorites, and in 2009 we are going to use a longer course that goes up Mirgon Rd. with a new climb up Mirgon Hill. The hill is on a narrow very cool road that runs up out of the valley and through the hollow to the top. Then it is a fast return to Sugar Grove and a flat finish in the village. The course measures out at 9.5 mile in length and is on generally good pavement. Plan on coming down to Sugar Grove, which in 2009 will be our 16th year.

Course Description- This is the only Spring Classic race that is east of SR33 in the Hocking Hills; Racing on a new-tough 9.5 mile loop east of Sugar Grove with a new climb over Mirgon Hill on each loop.

Directions- From Columbus take SR 33 south through Lancaster, (or around Lancaster if the by - pass is open. Turn Left on Sugar Grove / Shape Rd. and go into the Village of Sugar Grove. Follow Main St. north through the village to the Burne Union School on your right.
