ABR Permitted  
Event

**COURSE:** 30 Km. circuit on the Famous **BONG!** time trial course. Start at Brighton School **6 right turns.**

Carl Wilkins discovered this course and since 1987 he has been holding Bicycle Time Trials on this unique venue with great flat to rolling roads, plenty of paved parking, indoor registration and large bathrooms.

Juniors raced 20 Km, same start line, 3 right turns to finish line.

**Race Weather:** SUPER, some wind, (more so heading east), Temps in the 50's to mid 70's.

**The Race** "First off I should have pre-registered, then I would have my start time before arriving." "30 second intervals, one rider at a time start, no drafting" "Great clean smooth roads and wide open easy turns with corner marshals directing." "I was passed by a long line of rumbling cars from the 1930's". "I was going so fast until the long incline from turn 2 to turn 3." "I never raced a Time Trial before but that was a lot of fun." "When did TT's become so popular and now there are so many fast riders, this is great" "I saw a orange Rider of the Year jersey at registration, how do I get one of those?" "How did a Corvair, a Mustang, and a Corvette get to ride along with those 1930's and 40's hotrods?" "That Sprayer Tractor is so tall it could driven over Wendy with out touching her, it looks like a Star Wars fighter" "Who is this Ed, never saw him before this year. He raced years ago and was pretty good, raced some Wednesday Night Masters track last year." "Going East was all against the wind, everyone road in the bike lane." "There were so many fast riders here, I could not let up a second and that made this race tough" "it was a blast, my first official bike race."
