

## 2009 MID-AMERICA TIME TRIAL SERIES©

### RESULTS

## *BRYCE MASTER© 20K Individual*

*Harvard, IL*

*Saturday, August 1, 2009*

Cool Temperatures, increasing breeze and threat of rain greeted the riders as they arrived. Only a drizzle came down for a short time which should not effected the race times since there were no corners and only one turn around. The distance was a little short of 20k but everyone raced the same distance.

**Profile Design Handlebar** winner: Robert Burke
