7th Annual Cordova 40K TT Results
QCBC Club Championship
MATTS and ROTY points event

We had a beautiful day in Cordova, IL. The temps ranged from a perfect 60 to 75 degrees. Thanks to Promoter Donnie and his Volunteers Lisa Wessling registration, Mike Desch as my starter, Cordova Police Officer as my left turn corner marshal, the Cordova Township Civic Center for the facilities and Dr. Craig C Schultz sister.

This "L" shaped super clean, smooth, very flat course continues to give riders the opportunity to ride a personal best and set records. Indoor registration and restrooms, shaded Park, quiet country roads, inexpensive gas and a country store just outside of the Park make this one of Premiere MATTS locations. Big thanks to Donnie Miller and Team DICE for another great event.
