A cool DRY winding day of racing on a great fast clean course in Kenosha, WI. I should say it was dry until the last 10 minutes of the last event of the day. The racing was quite competitive for the cash prizes and points.

COURSE: 1.2 mile four corner wide flat course in the Business Park of Kenosha. Located east of the Dairyland Dog Track and across the street from the Kenosha Airport.

Category 1-2 Three IS-Corp riders could not over come Matt Brandt or Chad Hartley power and speed in this fast pace race. The last 10 minutes was steady drizzle.

Master 40 Two separate race plans seemed to run this race. Plan #1 "PACT" Mike Jones breaks away and Time Trials to the finish alone or with one other rider. Plan #2 "PYOC" a PYOC rider gets in a breakaway and the other teammates block until they can getaway. The Plans worked, Mike is away with Delfino, Brian and Fabio block. At the finish Delfino unleashed his sprint for the win, Mike gets his second then Brian and Fabio crank up the speed with one lap to go and get 3rd & 4th.
