MATT'S® FINALE Individual

Garden Prairie, IL
Saturday, September 19, 2009

GREAT weather for the Verdigris 2009 MATT'S Finale. Roads were in good shape; couple of the "new" and "old" arrow signs along with the corner marshals pointed the way. I understand one rider did turn off course even though two arrow signs and a corner marshal pointed straight ahead.

Some very fast times were recorded and some very close finish times.

Congratulations to Team Verdigris on a well run time trial.

Thanks for competing in the 2009 "MATT'S" Mid America Time Trial Series.
 Rest up, train well; see you in 2010 with some very nice racecourses.
