Course A 1.4 mile loop that rides like a road/circuit race. The course's direction will run clockwise with the finish line up the long gradual climb at the top. One of the better bike race courses in the Midwest, in my opinion. Has it all!

Location Just south of Columbus, IN. For complete directions, check out: [Directions to Ceraland Park.](#)

Other Bring your family out to enjoy a fun filled day at southern Indiana's most spectacular family recreation park. Open to race participants and families. For a small fee, the 18-hole miniature golf course, paddle boats, fishing, driving range, and camping will be available. There is a shower facility—bring your own towel. Gate fee of \$5.00 will be charged per vehicle (car pool). No warming up on the course. GP will be at the helm calling the action. Free drinks and snacks.

This race is dedicated to my beloved wife who loved this race and really racing in general. Her son, Colin, will be leading the lead lap at each race and a tribute area will be set up to honor Joanne. We look forward to a grand opener and this race will be special in many ways.

RAIN/COLD DATE—April 25th. Call 717 961—6511 for questions.

Register Registration starts at 7:45 a.m. No late fee.

Last note: We reserve the right to decrease the prize list if insufficient entries occur. Second race will cost \$15.00. I will pay the \$2.00 per rider facility fee and \$100 dollar conference use fee that will be charged in '10.
