All the Junior age groups started together but by lap 7 Michael Keller, Kyle Mindick and Mike Redlich were away. The paced slowed some with the drizzle. 5 laps from the finish Redlich tumbles on the home-straight. Quickly he is back riding, chasing, he should have taken a free lap. Keller takes off, drops Mindick. They stayed away from each other and the field never caught. Keller wins overall and 1st 16-18, Mindick 2nd overall 1st 13-15, Redlich 3rd overall. Stephen Miwa wins field sprint. Sam Bianchi wins field sprint for 1st 10-12 and Gina Johnson gets 1st women 10-12. Great race.

With only 5 Lap to go Verdigris Wayne Simon and the Mack riders Fleck and Doering make a break, VCS Kerr and PYOC Fabio join up. The pack is not letting go easily catching the break, Simon powers off the front, Fleck is chasing, Mack blocks the pack, Simon one lap to go, Fleck one to go, pack sprinters are moving forward. Simon with arms raised takes the win, Fleck starts to coast but keeps pedaling after seeing a charging strung out field closing fast.

Rain increases and lasts the whole 40+ race. The field broke apart early with make-up of the two packs changing some. The many Premes were won by a number of riders. The speed was high enough with the rain to prevent any breakaways. Heagney wins the field sprint.
