

Double Bong Start list as of 08/26/11, 9pm Questions on Start times contact: cewbike@tds.net

Thanks for signing up and **have a Super Race** on the newly paved Rt. 75.

NO warm-up on course after 8:15am.

YES, the toilets in the School are for you to use, there are no open air toilets.

Please be **careful** when coming to start line, roads open to traffic, this is two laps, **do not** interfere with riders coming around for 2nd lap.

30-second interval start between riders. **Don't be late**, clock is ticking away your time.

If you are late you have two options #1 start now – clock is ticking or #2 go to registration and get a new start time.

Do not stand there discussing with Starter what to do, the next rider wants to start on time and not be affected by your late arrival at start line.

While racing you are to ride on right side of right lane except when passing or avoiding an obstacle.

DO Not ride in the middle of the road. **Do not** ride in left oncoming lane when preparing to round corner at 142/75 as you begin 2nd lap. Stay in your lane. Not my lane, stay in your lane.

Ride safe, ride fast and set your personal best. 15sec, 10sec, 5, 3,2,1, beep-go.....nice start, next up.
