## Team Apache 40K Individual Time Trial ABR Illinois Championship

20K-Juniors & Master 70, 75, 80+  
Sunday, June 26, Paw Paw, IL

A great day for racing at Paw Paw, yes the wind farm to northwest was generating electricity and more kw as the day progressed. The sky was clear, no rain, good roads, and some inclines to break up the flats.

The course was swept and direction signs posted by 8:30am. The start was delayed to be sure Officials and course Marshals were verified ready. Unfortunately, two problems occurred after the start, At some point before 1st rider reached 2nd turn the corner marshal left the corner and did not inform anyone he needed to leave. After he left the 2nd turn the course direction arrows were stolen. The turn around marshal called course set up person informing that the 1st rider told her 2nd turn was unmanned. The roaming on course worker immediately went to 2nd turn to secure. But did not reach 2<sup>nd</sup> turn before 10 riders were affected. Maps of the course were posted at registration and plenty of maps were available to the riders, but as we all know the course arrow signs and corner marshal are what we look for while racing. The riders affected had between no time lost to minutes lost while off course.

The Officials, Team Apache and ABR are very sorry that this double problem occurred and that it affected your race. MATTS events always allow rerides for flats, crashes, lost off course but none were taken today.

Brian Harris rode an amazing 52:42 for the fastest time of the day.  
Leigh Thompson rode fastest womens time of 58:04.

2<sup>nd</sup> fastest rider of the day Andrew Toftoy with a 53.25 has been upgraded to Category 2 after the race.  
Congratulations, on posting finish times at the Cat 2 level in 20k, 30k & 40k distances this year.

MATTS medals awarded 5 deep each race class. If did not pick up, contact [abrlund@aol.com](mailto:abrlund@aol.com) or pick up at next event.

ABR Illinois TT Champion jerseys were awarded riders who are 2011 Illinois residents and ABR Annual Members.  
Congratulations to these racers.
