

2011 ABD MASTERS MEMORIAL DAY WEEKEND RACES

May 28, 29 & 30

Presented by Athletes by Design
Wood Dale, IL

Hundreds of riders came out to race this weekend of racing for Masters age 30 to 80+ organized, hosted and presented by Athletes By Design. Using two separate Criterium courses for Saturday & Sunday and for Monday combining the two courses for a 2-mile circuit race. The course has great a road surface, rolling, with only a couple tight turns.

Saturday was nice warm weather but an afternoon light rain came in but left the area before the finish. The racing was fast.

Sunday started out warm and nice, but the threat of thunderstorms became reality within minutes of the 60-65 race finish. 50-55+ race start was delayed for 40 minutes for the rain to end. 40+ raced about 3 laps and the rain started, thunderstorms rolled in, lightning, and the race was stopped. With weather radar showing multiple waves of storms in short order the day of racing was canceled.

Monday the weather was *HOT, the racing even hotter and the competition was fierce*. Hours before 9am start time it was discovered that preliminary race flyer with 10am start time got posted, mailed, emailed, downloaded. Once discovered hours before race time it was nearly impossible to tell every racer. I guess there is a first for everything. To hopefully accommodate the start times were delayed to a mid time point. The riders were riding fast, breakaways sought, gained and lost on this winding, rolling 2-mile circuit. Congrats to racers!
