## SUNDAY, AUGUST 14 – WINFIELD CRITERIUM XII 2011 ABR NATIONAL CRITERIUM CHAMPIONSHIP

The weather was superb, dry, clear skies, no rain and just a bit warm. The course takes the riders counter-clockwise on a 1 mile rectangle, two to three lanes wide, back straight has a stepped gradual to a steep uphill climb to "Summit Hill". Most riders think the "summit" is at the turn but actual top of hill is a few houses after the turn. Then descends downhill gradually onto the repaved homestretch with a flat 300 meters to finish line. Breakaways can work on this course, happen often but not always succeed to the finish as chase riders bridge or bring the field up to the break. Multiple breaks are common in the Category 1-2 race, and usually the lead break laps the field.

**Master 60, 65, 70 & 75+** age groups raced together in their 20min plus 2 lap race. During the 1<sup>st</sup> lap on the back straight Eddie took a bad spill and was taken to the hospital. He is recovering from injuries. The racing restarted and in the end Thomas (60+) won 1<sup>st</sup> overall & 1<sup>st</sup> 60+. Michael (65+) came in 2<sup>nd</sup> overall & 1<sup>st</sup> 65+.

In the **Women Open** race Team ABD was well represented and dominated the 30 minute plus 3 lap race. Team Alberto's and Bellum needed more of their riders to race the event to balance the race and break the ABD grip. The racing was good the speed fast but I can think of some other Teams that could have given everyone a run for the prizes worth over \$500.
