## 2011 BONG & Half<sup>®</sup> 30k Time Trial!

June 12, 2011 - Kansasville, WI. 53139

Part of the Mid American Time Trial Series:

\$5000 overall season prizes and ROTY points.

Another beautiful day of racing at "Bong". A steadily increasing wind but not enough to slow the riders down much and from a direction that only one stretch was into the wind. Riders started every 30 sec, some riders raced twice, Jeff Otto was very fast with a 37 minute time. Road construction of Rt75 started, 1<sup>st</sup> turn surface was ground up but Road crew packed it down, then Carl's Nieces & friends swept before the riders started, and while the race was on corner marshal Al Stern swept after each rider came through so the turn was a little bumpy but no loose stuff. Thanks to the Police and corner marshals keeping the turns clear. Great job riders, it was great to see all were at the start line "on time" ready to start racing, please keep that up at every TT so you receive your fastest time and not having the clock time ticking away while...not racing.

Masters 70, 75, 80+ and Juniors raced 20k (one lap) other race classes raced 30k (one & half laps).

MATT'S award Medals 5 places – missed the ceremony, you can pick up at any of the upcoming MATT'S time trials.
