MATT'S® FINALE Individual
presented by EMC2 / Elmhurst Masters

Garden Prairie, IL, Saturday, September 17, 2011

EMC2 did a great job presenting the 2011 MATT'S Finale, plenty of help with registration, course marshaling, sweeping corners, 20k and 39k turn around. Juniors and all Masters 70+ raced 20k. All other race classes raced 39k distance.

Weather was great, roads were in fine shape, OK the county needs to resurface County Line road and perhaps more patching on Carlson but they were in better shape then in the spring.

The 20k turn around we had two orange cones next to road, an orange vested marshal yelling Junior-70+ turnaround at the 10.5k mark. At the 40k turnaround point there was a large red & black cone in center of road and a lime green vested, orange flag waving turnaround marshal. There were reports of a large dog dancing or prancing at the turnaround which caught the attention of most racers wondering then smiling and successfully turnaround without so much as a lick.

Fastest riders: Brian Harris set a record time for this course.
