2011 FIAC-ABR
31st Annual National Team Time Trial

Saturday, Sept 10, LaSalle County, IL
33 miles

Great Temps, no rain, partly cloudy, little wind, very smooth paved roads greeted the racers who raced past the soy bean and corn farmlands, no hills, slightly rolling terrain, with only one right corner to the one turnaround and return on same roads.

Starting at SS Peter & Paul Parish and heading south the teams cranked up to speed, setting a pace they could maintain for the distance. Only a few teams dropped a mate.

Scarlet Fire the fastest team consisted of the very fast TT riders, finishing almost two minutes ahead of 2nd fastest team from xXx Racing. Both these teams were well away from all the other teams.

Although Leigh Thompson posted the fastest women time, she was a solo rider after her teammates failed to show at the event. The fastest team was the long time Albertos Chick Train posting a 1:18:18.84.

Finish time was recorded when third Team member crossed the finish line, so it paid to keep the team together or at least three members.

Champion Jerseys to 1st Place, Medals to top three in each class and Overall Fastest Team cash prizes were awarded

Thanks to all the riders for coming out to race this Team Time Trial.
 We hope to see your Team race again in 2012 and post a time much faster than your great efforts this year.
 Have a super fall season.
