2 Person TTT 39.8Km, 20Km Jr

Garden Prairie, Illinois, May 8, 2011

Another SUPER weather day for racing bicycles. Half the course was new pavement, the remaining was very good older pavement and yes that was ¼ mile of recently patched old pavement. Riders did slow down for the rough area and perhaps thanks to the Promoter for posting a large course map with red showing the rough road area and warnings by Officials.

BIG Thanks to McHenry County and Boone County for keeping the roads in such great shape considering all the farm equipment that need to use the roads to farm the fields that help provide us with food.

Special thanks to the resident at Carlson/County Line road for sweeping the corner debris a few days before event and for watching the intersection while we moved a marshal to that location.

Super thanks to:

Kishwaukee Elementary School and the Belvidere School District for allowing use of their parking lot.

Team Scarlet Fire put together a great crew of corner marshals but this is exactly why there were less Cat 1-2 riders racing:

Corner 1: A retired racer that likes watching a good race once in awhile.

Corner 2: Mark Swartzendruber, Cat 1, was fastest MATTs racer in two classes for several years.

Corner 3: Chris Mosora, Cat 1, this area is too small to list all the races he has won or place top three.

Corner 4: Tom Doughty, Cat 1, former Pro, Olympic and World team member, what race has he not won or placed top three.

Corner 5: Stacy Applewick, Cat 2, upcoming powerhouse with ABD Women Team, I think gets some help from Mosora.

Corner 6: Mike Zellmann, Cat 1, one of the Tall very fast riders who wins alot, Road Diaries and Race Announcer.

Turn around: Ian Lochridge: Cat 2 Master, one of the Original MATTs racers, raced Crits, TT, Track, raced Nationals.
