

## 27th Annual Central States Masters Track

July 14, 2012

presented by Penguin Bicycle Club

Held at Washington Park Velodrome, Kenosha, WI

No rain, the radar was black the skies looked to be ready but no rain, just hot.

The times are a bit slow, probably due to sitting around waiting for rain and then Only a 20 min warm-up.

I guess we needed J Fraley, R Springer, R Gauss, and T Ruffalo racing to get some exciting action.
