Held Saturday, October 6th from Splash Valley Aquatic Park, Kankakee, IL

THIS IS A TEAM EVENT

Team Riding, Team Confidence, Team Style, Team Smarts & Team Safety = a Fast Team Finish.

This was a very Cool race. We delayed the start so everyone could warm up. Racing from the Aquatic Park, over the highway south to warmer temps on country roads, winding through the river valley, over a one lane bridge, past river front homes, out into the freshly corn harvested farm lands. Past Big Al to the turn around manned by an Original MATTS Organizer. The return was on the same roads, well manned by Kankakee Cyclists, who have ridden this course many times with the race Starter.

The first two Teams VQ/Lamb Little and PYOC-Pony Shop looked to be riding very fast heading back from turn around but then I saw 1st place xXx Racing #327 out bound riding very smooth and very fast. WDT-Allvoi was also setting a fast pace outbound perhaps too much but in the end they were 3rd overall.
