ABR Permitted Event

Part of the Mid-American Time Trial Series
MATTs overall season prizes and ROTY points

This super nice weekend for racing started off with the Friday Night West Koshkonong Norwegian Fish Boil at the church. Did I hear 250 people ate 2500 pounds of lutefisk!!!! Could this be why more riders did not start??

The weather was excellent, a bit cool, some wind to push you up the rollers for your one lap race. This is no straight arrow course. It has fun turns, small rollers to gain speed, some high overlooks, trees to block the wind, flat sections to wind up the gears, downgrades to streamline or use that 54x10 at 180rpm, then before you know it there just up the rise is the finish.

Congrats to the fastest riders of the day.

MAD CITY VELO did a great job putting this event together, Police & Marshals at stop signs, Marshals at each corner and a few straights, perfect weather, and a very interesting course that challenges every aspect of going fast.

Hope Marian recovers very well from his warm up crash. No, he did not slip on lutefisk.
 Brian and Doug road the fastest wrong turn courses, umh, they both made wrong right turns at marshals.
