

AMERICAN BICYCLE RACING  
**National Track Championship**  
 August 31, September 1 & 2  
**Held at Chicago Velo Campus, Chicago, Illinois**

A nice weekend to race on this outdoor track. The track was finished in 2011, constructed of steel and aluminum framing, textured epoxy surfaced marine plywood, is 163.75 meters long, 18 feet wide, 3 to 6 feet wide apron, with 18 degree banking on straights and 50 degree banking in the corners. Not your typical track, more for real track racers

Racers from 5 States competed for the Title, National Champion Jersey and Medals. Congratulations to each National Champion. To each of the competitors on your great racing and excellent bicycle handling skills.

**The Track National Title events contested were:**

1. Omnium, points received 7, 5, 3, 2, 1 going to top 5 places. Rider with most overall points is winner.

Omnium Events consisted of:

200 meter flying (f) TT.

Sprints

500 or 1000 meter TT, distance varied by race class.

2000 or 3000 meter Pursuit, distance varied by race class. These were held individually.

Points race

2. Team Pursuit TT, 4 riders per team

3. Team Sprint TT, 3 riders per team
