

TWO RIVERS 2012 ABR Illinois Road Race Championship

Sunday, August 5, 2012
Aroma Park, Kankakee County, Illinois

Points awarded to
TOI/W & ROTY

18 mile course of flat to rolling course roads with some long inclines, a few S-curves, places to hide a breakaway and 8 corners. Of course there was wind and summer 80-degree heat that worked on the racers.

Two Rivers Bicycle Tour (Two Rivers Race used only 18mile loop) was held same day from Kankakee, provided most of the spectators, although many people in cars were stopping to watch and asked the two corner marshals if this was a “real” bicycle road race. (4ft by 5ft Caution Bicycle Race signs were placed on road shoulder just outside of course warning all vehicles) Both the tour riders and vehicles passengers watched the racers and awed at the racers speed. The lead vehicle for each race finish did an excellent job stopping oncoming traffic for the riders sprint finish.

Appears to me that the 30 & 40 age group racers need one more lap to break up the field to make the endurance riders shine through.

The last 1½ laps of the Open category race blew them apart.

Thanks to the residents of River Run, Aroma Park, Kankakee County, IL. We hope you enjoyed the event.

Congratulations to the top riders and especially the Champions.

Juniors and Category raced together in their one lap 18 mile road race. Two Juniors place in top 5.
