The race starts at the base of the San Joaquin River gorge, five miles northwest of Auberry, CA and follows 15 miles of sweet singletrack along the contours of the river valley, finishing at Fingold Bay on Millerton Lake. Long course riders go 23 miles, starting with a climb to the top of the ridge followed by one of the best singletrack downhill in the area before joining the remainder of the course. Soar past wildflowers and the sparkling river to finish under shady trees and enjoy some food and drink.
