Held Saturday, September 8 from Splash Valley Aquatic Park, Kankakee, IL

THIS IS A TEAM EVENT

Team Riding, Team Pace, Team Speed, Team Confidence, Team Smarts = a Fast Team Finish.

Racing from the Aquatic Park, over the highway south to River front road, over a one lane bridge, winding through the river valley, out into the corn & bean farm fields to the turn around. The return was on the same roads, well manned by Kankakee Cyclists and ABR Race Officials.

A Support Vehicle was allowed to follow each team, supply spare wheels, tires, etc BUT were not allowed to let a rider draft. One such incident was reported by several on course Officials. The offense did not improve the team position or placing, so no penalty was imposed.

xXx Racing had 3 Teams at the event and posted the Fastest 2 times. Event Sponsor PYOC posted the 3rd fastest time and would like a longer course. Scarlet Fire/Garner had Fastest Women time at 1:01.58
