

MATTS -ROTY Apache Paw Paw ABR Illinois Time Trial Championship
40k - 20k Juniors/Master 70+ Time Trial
Sunday June 23, 2013

Great Temperature for racing a TT, the south southeast wind was a bit much, resulting in very tired racers finishing with their last bit of energy. I wonder if those who raced a second time, perhaps did not ride full out in their first ride?

Team Apache did a great job organizing the event, registration, course set up, signage, turn around, awards. The Officials kept good track of the times and posting results. ILLINOIS ABR TIME TRIAL CHAMPIONS were honored with a Champion Jersey for their great effort and fast times. (see bottom for results delay)
