34TH ANNUAL SPRING TRAINING RACES

The Tour of Illinois & Wisconsin Season Opener/ROTY Event

SILVER LAKE PARK, SALEM, WI April 7, 2013

A Great but cool day of racing brought the hearty bicycle racers to test their strength, training or lack thereof to ride one of the best new courses. More of a circuit race than a criterium course with 1.5 miles of hills, twisting, rolling terrain through a forest.

30 to 40 mph down the hill from start line then 20-30 mph up a few rollers to the 150 degree turn and up two "work, work, work" inclines before a decline just before reaching hilltop and 200meters to finish line.

First race was 10-12 Boys and Girls starting together. About one minute later the 13-14 boys and girls started. Place shown is per age group and Overall place for all the 10-14 boys and girls.
