**Part of the 2013 WISPORT SERIES**

The weather was excellent for a time trial. The 1 lap 20k course has fun turns, small rollers to gain speed, some high overlooks, trees to block the wind, flat sections to wind up the gears, downgrades to streamline or use that 54x10 at 180rpm, then before you know it there just up the rise is the finish.

### Congrats to the fastest riders of the day.

MAD CITY VELO did a great job putting this event together, Police & Marshals at stop signs, Marshals at each corner and a few straights, perfect weather, and a very interesting course that challenges every aspect of going fast.
