Men: Gary Rulo and James Sneddon, ABD - PSIMET, 1:14:17.52

Women: Lynn Rivier and Dixie DeVry, Higher Gear – Yuma BC, 1:37:26.98

The Racers were treated to some great weather of Clear sky, Temps in high 60's that rose to 80. The Resurfaced packed down roads were ready for some very fast times and possible record times. With Very little traffic, Police corner marshals, Direction arrows on road and posted signs it made for easy cornering. The Start line was moved further east for improved starting 2nd lap. The Finish line was moved further north past corner for better rider flow at finish line.

Congratulations to the Racers on their fine ride.
