 Questions: E-mail: rgauss01@gmail.com , call Robby Gauss at 262.748.5003 or Total Cyclery at 262.652.2222

National Championship Awards:

American Bicycle Racing National Track Jerseys to the overall winners for each Omnium category (5 events). The winner of each omnium category will receive a National Championship Jersey and must be an annual ABR member. 2nd and 3 place will receive omnium medals. Overall winner in each category will be determined based on a points system from each of the individual events in the National Championship category. The top 5 places in each event will score points (7-5-3-2-1). Riders do not need to compete in all races in order to win the overall Jersey. The highest points in the last event working backwards will break any ties. Categories and events may be combined if there are less than 4 in a category.

All riders must have an American Bicycle Racing Membership in order to compete. One day memberships are available for \$5 each day or Annual memberships are available for \$25 and will be good for remaining of 2014 and all of 2015.

Special Rules:

Riders may enter more than one category as long as they are eligible to compete in that category and if a timed event must post a time for each category time trial entered.

The 200m time trial is an event in itself and counts towards the overall. Times from 200m will be used to seed for sprints. (Must inform the officials before each ride which category that time will be used) In timed events (except 200m) riders will be allowed only one restart in the first half for any reason.

Any other special rules will be posted at registration.
