DESCRIPTION: The Badfish Creek Wildlife Area near Stoughton WI forms the center of this one or two lap time trial. Starting at the intersection of Center & Old Stone in Rutland Township the course goes east, turns south on Danks, west on Old Stage, east on Old Stone and back to the start/finish line for 20K. The loop is repeated for the 40K distance. The course includes a long straightaway, well maintained paved roads, gently rolling terrain (no big hills) and only three right-hand turns per loop. 22,000 years ago the last Wisconsin glacier stopped in this area depositing material at its terminal and recessional moraines. Enjoy the opportunity to cycle up and down the ancient remnants of the ice sheets that carved out much of Wisconsin.

SHORT COURSE, One Loop (20K)

LONG COURSE Two Loops (40K)

DISTANCES: Juniors U15 & Masters 65+: **One Loop 20K***; All Others: **Two Loops 40K**

***Juniors U15 & Masters 65+ May Do Two Loops (40K) and the Second Loop will count for Cat. 1/2, Cat. 3 or Cat. 4/5.**

ENTRY FEE: Pre-registration for all adult categories \$30 and Juniors \$15.

NO ON-SITE REGISTRATION (Except for Unforeseen or Unavoidable Circumstances)
