The 9th Annual Beach City Double / Century / Metric on October 24, 2026 is excited to announce you are riding where the [Pros ride](#). There will be an optional KOM in Laguna Beach to the Top of the World for the Century and Double Century riders. The ride's start/finish at the Courtyard/Marriott in the great City of Irvine. So come out to enjoy a fun day on your bike, riding to the beautiful vista points along the Orange County beaches. Choose any route you want, the Double, Century, or Metric Century all routes visit the Queen Mary in Long Beach. The Century and Metric riders encouraged to register for ride to rightly support your Double Century riders. Over 80% of the Metric and Century routes are part of the Double Century course, so all riders regardless of the distance you choose can eat, drink, socialize, and ride together. We are looking forward to seeing everyone join in and enjoy the festivities this year.

The routes include a variety of the below cities and highlights, except for the Double and it includes all of them:

Popular cities:

Laguna Beach
Corona Del Mar
Newport Beach
Huntington Beach
