

Half Acre Cycling presents  
**Skyway Classic 2026**

April 25-26, 2026  
Calumet Park, Chicago, IL

Skyway Classic returns to Calumet Park for another weekend of beginner and intermediate ability criterium racing. Both days will utilize the same course, alternating direction each day. New this year, we will be using American Bicycle Racing (ABR) as our sanctioning organization keeping in line with our team values of gender inclusive grassroots racing.

Open categories are open to all genders. Women's categories are open to all women. We believe you are who you are. There are no separate Juniors or Masters categories. Juniors racing age 16 and older may race in their ability category.

ABR License fees: All race entries include \$10 one-day ABR license. If you want to upgrade to an Annual license (\$30), we can do this on-site, just pay the difference in license fees.

Race Entry Fees: Same price for pre-reg or day of.

If interested in our Race Entry Grant programs for this race, please apply on our website at <https://halfacre cycling.org/grant-application/> and wait for a response *prior to registering*.

Pre-Register at <https://www.bikereg.com/skywayclassic>

For more information, visit our website: <https://halfacre cycling.org/skyway-classic/>

Race Directors: Pete Pavek and Michael Hulburt
